

NewMarket Health Masterfile - International

7,971 Canadian Subscribers US \$175/M

This Masterfile list consists of subscribers to four distinctly unique newsletters: Health Sciences Institute, Logical Health Alternatives, Natural Health Response and Nutrition & Healing.

These subscribers and buyers are interested in cutting-edge ideas about breakthrough health solutions that aren't available through other resource. They are looking to take control of their health rather than rely on a dogmatic medical establishment that is obsessed with surgery, drugs, and a one-size-fits-all approach to medicine.

Offers that may interest these buyers are general merchandise, dietary supplements, self-help, political, financial, travel, magazines, and memberships.

NameBank International is a full-service list brokerage and management company based in Baltimore, Maryland. Since its inception in 1980, NameBank International has provided valuable services in the consumer list industry. We are an experienced company who will work directly with you to generate new customers for your products and services using advanced list research tools. We specialize in consumer finance and health lists.
